Doing History Summary Essay

Briefly write a 1 page summary of the various aspects of “doing history”. Be sure to: 1.) identify all of the elements used in doing history, 2.) explain which elements are positive and which are negative, and 3.) explain why it is essential for historians to search for facts that are accurate and true when forming their conclusions. Finally, create a list of at least 25 events/topics/places/people that we could research using our doing history model.
